" After going to your First Steps to Success Seminar, my income has DOUBLED in one month. Not only that, I have now been promoted to the second highest level in the company. I tell people that it is the best investment that they will ever make in their business !!!!!! "
~ R. Chazan – San Diego, CA

" I made it to the event and I cannot believe how quickly things have changed. I now typically make more money in a day than I used to make in a month! It's been one month since Phoenix, and this month, March 2005, my network marketing business will have paid me and my family more than I have ever earned in a year! Thank you so much Dani!! "
~ M. Harris - Berrien Springs, MI

" I attended the First Steps Seminar in Salt Lake City and found it to be absolutely outstanding. I brought 40 people who I know will have long term positive results. I now have a complete package to use in the development of my business. I now have a new business partner "Dani Johnson" who will facilitate the duplication and consistency in this business. I feel that we can now move beyond our current plateau. Thank You for this gift! "
~ D. Twede – Ogden, UT
